DETAILED ACTION

This reissue application does not include written consent to the filing by all of the assignees (37 CFR 1.172(a)). See MPEP Sec 1410.01. Please provide a statement with the required written consent.

This reissue does not provide for either the surrendering of the original patent, or contain a statement that the original patent is lost or misplaced. Either surrender or the statement must be received by this office before the reissue application can be allowed.

Claims 18 and 19 are rejected under 35 U.S.C. 103(a) as obvious over Kipp.

Kipp teaches an apparatus, including: frame; cable 36; camera 24; and friction members 62 (col. 6, line 17).

Kipp does not refer to use of a motor to power the members 62.

As to claim 18; it would have been obvious to employ a motor to rotate the members 62 to drive the apparatus because Kipp teaches (col. 2, lines 12-19) that is known to employ driven wheels to propel cameral units, especially within pipes that do not include layers of dirt along the walls.

As to claim 19; note Kipp's "remote control" (col. 5, line 6).

As to Applicant's REMARKS, consider the following:

As to p. 6, first full paragraphs, please refer to col. 2, lines 12-19, of Kipp, which expressly refer to use of "driven wheels or caterpillar tracks" as a propulsive force for a camera.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 2856

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
